

EyeOnWater

See Your Water Usage
Follow these simple instructions to see
your water usage information online.

STEP 1: Visit <https://eyeonwater.com/signup> to create your online account. Enter your service or billing ZIP/postal code and your account number without the leading 0's and dashes.

STEP 4: Click on the link in the email to verify your email address

STEP 2: Enter your name and email address, and then create and confirm a password. Passwords must be 8-16 characters long.

STEP 5: After clicking in your email, enter your email address and password to sign in.

STEP 3: Check your email for the verification message that has just been sent.

STEP 6: Once you're logged in, you'll be able to view your water consumption and set a leak alert. You can also download the app to your smart phone via the Apple Store or Google Play.
